

Why are they hiding the costs of the pulp mill?

Loss	Estimated annual cost	Reason
Food production	\$320 million +	Conversion to trees
Tourism	\$110 million	Stench, log trucks
Fishing	\$100 million	Market concerns
Water use	\$ 50 million	Demand by trees
Brand damage	<u>Unknown</u>	Loss of reputation
Annual total = <u><u>\$570 million +</u></u>		

Without guaranteed protections for industries
Tasmania stands to lose a lot more than it gains!
